Dear Parent/Carer

Animal Care trip to Bristol Zoo

As part of the BTEC Animal care course students are currently studying a unit on animal behaviour. To further enhance this work, we would like to offer the opportunity to take a day trip to Bristol Zoo on Thursday 8th November 2018. We are leaving school at 9.00am and aiming to return at 5.00pm; please make arrangements to pick up your child from school.

The students will take part in an education session looking at animal behaviour. These are led by the zoo staff using live animals.

Students will need to bring sensible footwear and an outdoor coat as much of the site is outdoors. There is the option of purchasing food at Bristol Zoo and also areas for them to eat a packed lunch if they would prefer to bring their own food.

The cost of the trip is £6.00 per student. This will include the cost of zoo entry, an education session and travel. I would be grateful for a voluntary contribution to cover the amount. Although a lack of contribution will not preclude any student from going on the visit, it will not be possible to run the trip if insufficient voluntary contributions are received.

Students need to return the attached permission slip, together with any contribution towards the cost of the trip, to Mr Jarrod by Monday July 16th.

Please note that poor behaviour and/or poor attendance prior to the event may prevent your child from going on the trip.

Yours sincerely

Mr Jarrod
Teacher of Animal Care

Animal Care Bristol Zoo Trip
8th November 2018

Name of Student
