Dear parents and carers,

Creative iMedia

I am writing to inform you of the itinerary for Creative iMedia for this academic year. Your son/daughter is currently undertaking the qualification in Year 10. The qualification comprises of a theory exam (25% of the overall mark) and three practical controlled assignments (75% of the overall mark). In order to stagger students’ revision across subjects, we are planning for Creative iMedia students to sit the exam at the end of Year 10 ie in the summer term.

Students will be given a test in exam conditions during the iMedia lesson on Wed 1st November. The questions in the test will focus on the theory we have covered so far this term. Notes on each topic are available for students on Google Classrooms.

From Thursday 2nd of November to mid-December, students will be undertaking the first controlled assignment in Creative iMedia focusing on Digital Graphics. This work will be completed during class time. The work forms 25% of the overall qualification and students will need to give 100% effort during lessons.

Every Tuesday from 31st October from 3.30 to 4.30pm, students can attend the weekly Creative iMedia after-school sessions. Although the sessions are voluntary, students are strongly advised to attend in order to develop their skills and research for the controlled assignment and, later on in the academic year, to revise towards the exam. Students will need to be promptly collected from school at 4.30pm. Please complete the permissions slip below and return to Dr Posey no later than Wednesday 19th October.

If you have any questions please do not hesitate to contact me via email on eposey@gvsc.org.uk or contact the school to arrange a time to speak on the telephone.

Yours faithfully
