Dear students and parents

I am writing to let you know how pleased we have all been with the behaviour and attitude of Year 11 to their exams this summer.

GCSEs are a stressful and difficult time for everyone; we felt that you dealt with this period very well; your behaviour on the "last day" was exemplary – well done!

We are looking forward to seeing you all at the Prom on Friday.

Can I just remind you of the arrangements for exam results day as per my previous letter:

*Exam results will be available for students to collect from school on **Thursday 24<sup>th</sup> August from 11am onwards.***

*We do hope that students will come to collect them in person – we want to share in their success and we will also be on hand to help if things have not gone as planned. If the student cannot pick them up in person, **we are not allowed** to give them to anyone else by hand, by email or on the phone unless we have a signed letter from **the student** (not parents) giving someone else permission to collect them. This is part of the exam board regulations.*

*Any results which are not collected by 2pm will be posted first class to your home address, so they should be received by the next day.*

*In the autumn all students and their parents and carers will receive an invitation to join us for Presentation Evening when we look forward to celebrating students' time at Fairfield and formally present GCSE certificates and school awards. Further details about Presentation Evening will be sent home in October.*

I am sure we will be celebrating great results with you all in August!

Best wishes

Sue Gaston
