1st December 2017

Dear Parents/Carers

Y11 GCSE Geography Revision Guides

I am currently ordering GCSE Geography revision guides that are published by CGP especially for the AQA A exam course that we follow at Fairfield. We strongly recommend that all students purchase these as they will help students' understanding and will give them practice with exam question technique.

As I am purchasing a large number, I will be able to get a discount reducing the cost to just for £4.50. If you would like to take up the offer then please pay £4.50 by ParentPay and return the slip below to Mrs Rodgers by Tuesday 12th December 2017.

Yours faithfully

Helen Rodgers
