Dear Parents and Carers,

Scholastic Summer Half Price Book Fair Monday 9th July - Wednesday 11th July

In order to foster and develop the enjoyment of reading in our students, we plan to hold a Scholastic Summer Book Fair in school from Monday July 9th until Wednesday July 11th 2018. Scholastic have offered the school a **half price** book fair and we see this as a valuable opportunity for students to purchase books at superb prices. They can stock up ready for their summer holiday reading enjoyment.

The school can also earn free books for every book sold at the Fair, so this is a great opportunity to stock up our library with brand new resources. This year already we have been able to purchase many brand new books with the funds we raised from the Spring Book Fair and they have been very well used indeed –thank you.

The Fair will be open every break and lunchtime on those days to students and we also hope to use some English lesson time to give them longer to have a good look at the books on offer.

We have also organised for the Fair to be open **after school on Monday 9th July until 4:30pm** and we would like to take this opportunity to invite you in to have a look at what is on offer to the students; Scholastic Books provide a wide variety of genres and cater for all ages that don't cost the earth, so you are sure to find something to tempt your little ones!

We really hope that you will support the school and your children in this venture and we look forward to seeing you on Monday 9th July.

Yours faithfully

Mrs A Meredith
