Dear Parent/Carer,

**Spanish and French Dictionaries**

We are currently offering students the opportunity to purchase foreign language dictionaries to aid with learning in school and assist their independent learning at home at a reduced price.

For £7.50 each (R.R.P. £9.99), students can purchase Spanish or French dictionaries.

If you would like to purchase one or both of these for your child, please complete and return the slip below and make the relevant payment of £7.50/£15.00 via Parent Pay.

We have only secured this price on the basis that we place a minimum order of 30. If we do not have 30 orders, we will not buy the dictionaries and all monies paid will be refunded.

Yours faithfully,

Mrs S Price  
(MFL Coordinator)
