Dear Parent/Carer

Re: WJEC Eduqas GCSE Food Revision Guides

The department has purchased copies of this revision guide which is excellent preparation for the Food Preparation and Nutrition exam. It includes a range of test yourself questions, exam tips and sample questions, plus online quiz links which will boost students' knowledge and confidence.

The cost through the school is £7.00 (£8.99 RRP). If you wish to purchase a guide for your son/daughter please complete and return the attached slip with payment made before Thursday 23rd February 2017.

We would strongly recommend this publication.

Yours sincerely

Mrs E Bevan
Head of Food & Nutrition
