12th June 2017

Dear Parent/Carer

Please find enclosed with this letter a copy of the Year 10 exam timetable for the week commencing 19th June. Students will be sitting these exams under full GCSE exam conditions which we hope will help prepare them for their final GCSE exams next year. Students will need to make sure that they come fully equipped to each exam, e.g. two black biros, pencil, calculator and so on. They should have their equipment in a clear see through bag or pencil case. Mobile phones are not allowed in the examination room.

Most of the exams being set by departments will be made up of past GCSE exam questions and will be marked using the GCSE mark schemes. The results will form part of the information we use when we complete college reference forms and predicted grades for the exam boards. It is important that students take these exams seriously and revise properly. The timetable does not leave a great deal of time for revision between exams, but that can happen - there have been occasions during the current GCSE period when there have been one or even two exams on three consecutive days. **Please note that, just as in the “real thing” there is no study leave** – students will be expected to be in lessons when they are not in exams. Absence during this period will not be authorised unless there is a clear medical reason.

In order to have time to discuss results with you before the holidays and to offer support or advice for any “catch-up” work that needs to take place over the summer, we have arranged a special evening meeting for parents and carers of Year 10 students **only** on Tuesday 11th July from 5 - 7pm. This is an important opportunity to meet with subject teachers to discuss your child’s progress and we hope that as many parents and carers as possible will attend. Please make appointments for this evening via the school office.

I look forward to seeing you on the 11th July.

Yours sincerely,

Mrs Sue Gaston
Head Teacher
