

7 November 2017

Dear parent/carer

### Mock examinations

Your son/daughter will shortly be sitting their mock exams in many of their GCSE subjects. Mock exam week runs from November 27<sup>th</sup> until Friday December 8<sup>th</sup>. I include with this letter two copies of the mock exam timetable; one for you and a smaller version for your son/daughter to put into their school planner. A copy of the timetable will also be placed on the school website.

Mock exams are very important and very often staff will use the grades achieved by students in these as predicted grades for external agencies including the exam boards. It is therefore really important that students spend time revising for their mock exams. This revision will not only help them in their mock but it will make it much easier to remember the subject specific content when it comes to revising for the actual GCSE exams in May and June.

It is really important that your son/daughter attends school during these two weeks. If an exam is missed due to illness for example, we will endeavour to find a time for them to catch up. Please keep us informed of any problems.

If you have any queries please do not hesitate to contact your son or daughter's form teacher or the Head of Key Stage Mr Dan Kelly.

Yours sincerely

Mr D Kelly  
Acting Deputy Head Teacher

Date		Subject	Time
<b>Week 1</b>			
27/11/2017	Monday	Maths	Period 1-2
		Science	Period 3-4
		French Reading	Period 5-6
28/11/2017	Tuesday	History	Period 1-2
