1<sup>st</sup> February 2017

Dear Parents/Carers,

Students in Year 8 have been developing some choreography in PE lessons in preparation for the Year 3 and 4 Dance Festival for local primary schools. At the festival the students will work with a small group of primary school children to teach them the choreography in preparation for performance at the end of the morning. The festival is on Monday 6th February at Peterchurch Primary School.

On the day, students will need to arrive at school in school PE kit and should bring coats or waterproofs in case of inclement weather (we will be walking to the school) and meet in the hall at Fairfield at 8.50 am. The festival will take place from 9.30 until 11.00 so students may wish to bring a drink and a snack if they think they will need it. All those involved must make sure they catch up on any work from lessons they miss whilst taking part in this event and will need to bring school uniform to change into on return. In case of the event being postponed on the day students must bring in normal books and lesson equipment for morning lessons. Please can you complete and return the consent form below as soon as possible

Yours sincerely

Ms Wilsher  
PE Department
